Light of the World

Global Outreach has been at the heart of Casas for the last 25 years. We have poured ourselves into a united effort to send out short-term Goers and long-term Global Workers to share God's love with needy people around the world. Together we have followed Jesus' command to "let our light shine." God has taken our humble offerings, multiplied them, and done miracles.

This is the time of year we come together to celebrate His wonders over the past year. And this is the time we each get to become part of what He will do over the next year. Your gifts designated to Global Outreach are the only funds Casas has to support them.

This booklet tells our story.

Let God speak to you as you unfold His work in these pages. Then make a generous pledge and watch Him work!

- Scott Brenden
Pastor of Global Outreach
